C-135 WATERLESS HAND CLEANER

01/01/18

DESCRIPTION

C-135 Waterless Hand Cleaner is a clean, hypo-allergenic, sanitary foam, ideal for removing soils from hands and skin without using water while still leaving a pleasant fragrance. It contains lanolin and aloe vera to condition and restore moisture to dried out skin. C-135 Waterless Hand Cleaner provides a mobile, one step, effective cleaning system which eliminates rinsing and drying. It offers true time-saving convenience, economy, and portability.

APPLICATIONS

C-135 Waterless Hand Cleaner can be used on any and all hand cleaning applications.

C-135 Waterless Hand Cleaner is highly recommended for the removal of the following items:

Paint	Grease	Lubricates
Carbon	Adhesives	Wax
Tar	Oil	Printer's Ink
