## C-109 DEGREASER

01/01/25

### Description

**C-109 Degreaser** is a powerful concentrated, water soluble, cleaner/degreaser. Because of its chemical potency, **C-109 Degreaser** is excellent for the heavy-duty cleaning applications in today's automotive and industrial world. It is extremely effective in the removal of heavy accumulations of grease, grime, oil, road film, wax, dirt, etc. **C-109 Degreaser** consists of a blend of strong detergents, emulsifiers, wetting agents, water softeners, rinse additives and solvents. This combination of chemical components enables it to be equally effective for both water-soluble and solvent-soluble applications. In addition, **C-109 Degreaser** is biodegradable and environmentally friendly.

### Applications

C-109 Degreaser is a super concentrate, which is excellent for cleaning heavy equipment, trailers, tractors, engines, shop floors, white wall tires, and most industrial applications. It is also excellent for use in pressure washers, steam cleaners and in floor wax stripping applications. DO NOT USE ON GLASS.

### Recommendations

Dilute with water to concentration desired for effective cleaning. Heavy Duty Degreasing 1:20; Machinery and equipment cleaner 1:20; Steam Cleaning 1:35. Apply with pressure washer, steam cleaner, sponge or brush, agitate if required. Rinse thoroughly with water. Allow drying.

Warning: Eye and skin irritant. Contains butyl cellosolve and sodium metasilicate. Avoid contact with skin or eyes. If eye contact occurs, flush thoroughly with water for 15 minutes. Get prompt medical attention. If skin contact occurs, remove contaminated clothing. Flush with warm water. If irritation persists, consult a physician. Do not take internally. If swallowed, drink large quantities of water. Do not induce vomiting. Contact a physician immediately. KEEP OUT OF REACH OF CHILDREN.
